## Signposting & Referral Pathways

Victim Support Services in Greece

Created by the European Public Law Organization

May 2017

Coordinated by:

In cooperation with:

[www.protasis-project.eu](http://www.protasis-project.eu)

## Introductory Note

- The aim of the guide is to gather indicative services provided by organizations and bodies across the territory from which victims of crime can benefit.
- The list of organizations and services is not exhaustive, and beneficiaries should be encouraged to contact the organizations for more information.
- The provided services are offered free of charge, except in certain cases otherwise indicated.

### Categorization of the services provided:

- **Helplines:** refers to support services (usually information services, and / or psychosocial support) provided via telephone on issues /subjects related to the purposes of each organization.
- **Online support:** refers to services (usually information, and / or psychosocial support, incident / complaint reporting) provided through online forums, online chat, skype, etc.
- **Shelter:** facilities of temporary accommodation for victims (e.g. shelters, guest houses). The shelters' services usually include nutrition, hygiene, psychosocial support, other support services (e.g. trainings, referrals to other services)
- **Medical aid:** may including medical care, pharmaceutical care, primary health care and support, medical counseling, medical services' facilitation.
- **Social/ material support:** refers to the provision of ***daily supplies/essentials*** (e.g. food, clothing, school supplies for children), repairs, re-housing, asylum services, ***specialized treatment*** (e.g. occupational therapy, speech therapy), personal care services (e.g. bathing, clothes' washing, etc.) etc.
- **Financial aid:** includes financial support, and/or counseling on financial issues, and/or information services on financial issues (e.g. work/financial rights, benefits)
- **Legal aid:** may include legal advice, and/or legal support, and/or legal representation, and/or legal protection
- **Psychosocial support:** refers to psychological/emotional support and/or counseling, including psychological first aid, professional psychological help, support groups.
- **Vocational support services:** includes counseling on employment issues, and/or vocational training, and/ or vocational guidance
- **Day center:** refers to centers that provide a range of services, e.g. health care, psychosocial support, participation in educational programs, information services, etc.
- **Referral to competent services:** includes information and referral to other competent services.
- **Creative activities:** includes creative activities for the support of participants during their daily life, and/ or non-formal education, and/ or remedial teaching/ learning, etc.
- **Language learning:** refers to programs for learning Greek, as well as other languages (e.g. English).
- **Information services:** provision of information on issues /subjects related to the purposes of each organization, and/or awareness-raising activities, and/or training services on issues /subjects related to each organization's aims.

- **Research/ Research programs:** carrying out surveys, research and research programs on issues related to the organization's goals.

### **Classification of beneficiary groups:**

- ⊕ ‘General public & Vulnerable groups’ includes, depending on the organization:
  - Provision of services and information / awareness raising/ educational programs related to the aims of each organization (e.g. information on racist violence and discrimination, domestic violence, etc.).
  - Provision of services to all victims, irrespective of age, gender, ethnical background, population or social group, regardless of age, gender, background, population or social group.
  - Provision of services to vulnerable groups.
- ⊕ ‘Women’ includes, depending on the organization:
  - Provision of services to women, irrespective of age, gender, ethnical background, population or social group, and/ or women who have suffered or are suffering violence in any of its forms and/ or discrimination.
  - Provision of services to female victims of specific forms of violence, depending on the aims and objectives of each organization.
- ⊕ ‘Minors, parents, families’ includes, depending on the organization:
  - Provision of services to underage victims irrespective of age, gender, ethnical background, population or social group, and/ or women who have suffered or are suffering violence in any of its forms and/ or discrimination.
  - Provision of services to underage victims of specific forms of violence, depending on the aims and objectives of each organization.
  - Provision of services to families, and/or families of underage victims, irrespective of age, gender, ethnical background, population or social group, and/ or victims who have suffered or are suffering violence in any of its forms and/ or discrimination.
